

Clamming

Instructor: Paul Bruce

Learn the how and where of clamming in pristine Duxbury Bay! Bring two 1-gallon milk jugs with the tops removed. Any other items are illegal! You will fill one container with steamer clams, and the other container with razor clams, mussels and quahogs. You will enjoy and remember this unique educational opportunity without having to buy a license, and you'll learn a skill for life. Wear waterproof boots/gloves optional (wearing gloves may interfere with your ability to collect clams).

A Fossil, Crystal, Petrified Wood & Dinosaur Bone Hunt

Instructor: Paul Bruce

You'll Join us on Duxbury Bay for a successful fossil hunt! That's right, you'll be finding fossils, crystals and petrified wood! Some of your fossils were transported as ships ballast in the 17th and 18th century and left here in the bay. Other fossils are native to this area and arrived with the last ice age. Your instructor will bring samples of the fossils that he has found here as well. **BRING 5 ROCKS TO REPLACE THE 5 YOU TAKE!!!!**

Tree Swallow Sunday

Instructor: Paul Bruce

You'll observe aerial courtship, mating, and feeding. You'll release feathers into the wind for swooping swallows, called feather interceptors, to catch (they'll use them to line their nests). With the right fat fluffy feather, they may take it from your hand! Swooping speed is 200+ mph! The look on your child's face when a feather is released and caught in mid-air is priceless. You have never seen anything like this before! A short nature walk is included. With your own feathers you will learn how to start your own colony. We will be walking in the water, wear waterproof boots.
